Growing Kids Learning Centers

Growing Kids is there when you need them, with the safety and educational childcare your child deserves.

Growing Kids has been providing early childhood education and childcare for ages six weeks old through after school age for 20 years. They're open when you need them, Monday - Friday from early in the morning until 11:30 p.m. They offer Spring, Summer and Winter Camps, Before and After school care, even one free Saturday of childcare a month. One parent said, "We love the flexible hours, and the Saturday Night Care is an excellent bonus!" Another parent added, "There are no centers that compare with the quality of care at Growing Kids. The teachers do an excellent job providing the kids with a safe, comforting and stimulating environment. The variety of learning activities and play in Main Street and the playground is outstanding. We also love the class parties and the holiday celebrations!" Parents appreciate the care and quality of Growing Kids teachers, stating, "I am so pleased with my child's performance while attending Growing Kids. I am amazed at what they have learned so far. The teachers and staff are so caring. The staff goes above and beyond their job description. I feel as if the staff is a part of my own personal family."

Owner Mike Garatoni said, "We're honored to have received this award. We're glad we have been able to provide a much needed service in the Elkhart and Goshen communities."
